

A symbiosis of old and new: long lasting traditions combined with modern or classical cuisine merges in this wonderful „Zunfthaus“ of 1613 in midst of Zürich's old town.

In the big historical „Zunftsaal“ there is space for events with up to 140 guests. No matter if business meetings or wedding parties - the „Zunftsaal“ in the „Zunfthaus zur Schneidern“ offers various possibilities. Almost any culinary desire can be fulfilled by the kitchen team of the Blue Monkey. Apart from the Thai dishes a wide range of international cuisine is available.

For conferences technical equipment can be rented.
